1. 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Attention please. This is the vice principal. I'd like to inform you that our school will be undergoing a major cleaning during the upcoming summer break. The cleaning process will take a total of five days. The cleaning team will work hard to make sure every corner gets the cleaning it needs. It'll cover all the classrooms, student lounge, library, and hallways. Please note that those areas will have restricted access, but only temporarily. The detailed cleaning schedule will be posted on the school website. Thank you.

2. 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

M: Hey, Sujin! I heard you are a book enthusiast.

W: Yes, I really love reading. It's my favorite hobby.

M: You must read a lot of books then. How many books do you read a year?

W: Around a hundred books on average. Do you read a lot, too?

M: I read books from time to time, but it's not easy to remember what I read from books.

W: Oh, in that case, how about keeping a reading journal?

M: A reading journal? What is it?

W: It's like a diary. You can keep track of books and record impressive phrases from them.

M: That sounds helpful. It seems like a good way to recall important information from any book.

W: Exactly. That's why I strongly recommend keeping a reading journal.

M: Thank you for sharing your tip. I'll give it a try.

3. 다음을 듣고, 남자가 하는 말의 요지로 가장 적절한 것을 고르시오.

M: Hello, class. Today, I'd like to talk about the book "*Your Life, Your Time*." The author emphasizes that the time available is the same for everyone, but how you use it is entirely up to you. I strongly agree with the author's opinion. Moments like waiting in a line, or riding the bus to school will add up. Spending those in-between moments wisely is important. Making use of spare time can significantly boost productivity. Instead of wasting your time on your phone, use that time efficiently. Time is yours to manage. Every bit of gap in time is an opportunity. You'll be surprised at how much you can accomplish throughout the day. Now, let me share a passage from the book.

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

W: Ethan, how was the Modern Arts Exhibition you went to with your art club members?

M: It was really interesting. Would you like to see a picture of us there?

W: Sure. Is this you in the striped shirt?

M: Yes, and do you see the heart-shaped sculpture I'm pointing at?

W: Yeah, it's pretty.

M: It was the main piece. The theme of the exhibition was love.

W: I see. That's why there is lighting on the wall above the sculpture.

M: I also liked the painting on the wall. The circles in the painting reminded me of soap bubbles.

W: That makes sense. What are the two benches in front of the painting for?

M: Those are for the visitors to sit and rest.

W: Oh, I see. It looks like you had a great time. I want to go there, too.

M: You should. You'll definitely like it.

5. 대화를 듣고, 여자가 할 일로 가장 적절한 것을 고르시오.

W: Good morning, Mr. Jackson. How's the selection process for student ambassadors going?

M: Hello, Ms. Reed. It's going well. I'm trying to be as thorough as possible because the student ambassadors represent our school.

W: You're right. Is there anything I can help you with?

M: Let me check. I've already read through the applications, and selected the interview candidates.

W: Good. Did you set the criteria for the interview?

M: Yes, certainly. Confidence and communication skills would be most important.

W: Sounds perfect. Have you reserved a place for the interview?

M: Yeah, I reserved the student council room.

W: Wow, you've done a lot. Is there anything else left to do?

M: Actually, we need a camera for the interview. Could you borrow one from the broadcasting club?

W: Okay. I'll do that.

M: Thanks.

6. 대화를 듣고, 남자가 지불할 금액을 고르시오.

[Telephone rings.]

W: Hello, this is StreamHub Services. How may I help you?

M: Hi, I'd like to subscribe to your video streaming service. What options do you offer?

W: We have two plans. The basic plan is 5 dollars a month, and the premium plan is 10 dollars a month.

M: What's the difference?

W: With the basic plan, you can only watch on one device at a time. But with the premium plan, you can watch on up to four.

M: I see. I'm going to use it with my family members, so I'll subscribe to the premium plan for one year.

W: In that case, we have a special deal. We offer a 10% discount on a 1-year subscription. But you have to pay for all twelve months at once.

M: That's awesome! I'll pay for one year, now.

W: Great! Can you give me your credit card information?

M: Sure. I'll go get it.

7. 대화를 듣고, 여자가 자가용으로 출근하지 않은 이유를 고르시오.

M: Kate, you look exhausted this morning. What happened?

W: Hi, Chris. I took a bus to work this morning. And it was jam-packed with people.

M: But don't you usually drive? Oh, wait, you said your car broke down, didn't you?

W: Yes, but I had it fixed recently.

M: Then, were you trying to walk more and get some exercise?

W: No, these days I go to a fitness center. I'm already getting enough exercise.

M: Then why didn't you drive to work today?

W: Because parking has become a nightmare.

M: Really? Isn't there a parking lot for employees at our company?

W: True, but it's not enough. If you arrive a little late, there are no parking spaces left.

M: Ah, that must be annoying. I hope your situation gets better soon.

W: Harmony in Pages? What's that?

M: It's a book club. Anyone can join as long as English is not their first language.

W: That would be great for international students like me. When do they meet?

M: They meet every Monday at 4 p.m.

W: Awesome. I'm available on Mondays.

M: And they meet near our campus, at the Arden Park Library.

W: That's good. I can go right after my last class.

M: Sure. There are five options here, and they all seem good.

W: Do you have a budget in mind?

M: Hmm... Let's not spend more than \$60.

W: I agree. Which color should we choose? They come in three colors.

M: Well, anything but black. Jimmy prefers bright colors to dark ones.

W: That's right. What about the battery life? I think 4 hours would be too short.

M: I agree. Let's buy one with a longer battery life.

W: Good idea. Now, we're down to two. This microphone has an LED light. I heard it creates a cool visual effect.

M: Really? Then, we should definitely get one with an LED light.

M: No, not at all. All the ingredients were prepared, and the teacher was there to help us step by step.

W: How did it turn out?

M: Well, do you want to try some? I made plenty and brought some for you.

W: Of course! *[Pause]* They're so delicious! You really have a talent for baking.

15. 다음 상황 설명을 듣고, Taylor가 교장 선생님에게 할 말로 가장 적절한 것을 고르시오.

M: Taylor is the student president at Cleef High School. During the student council meeting, a council member says that students are having some trouble regarding their bikes. Although many students ride their bikes to school, there is no space to park them. So, many bikes are randomly parked, or some of them are even left lying around on the ground. This raises safety issues as it might cause students to trip and get hurt. Also, bikes might get stolen during the school hours as they're not locked up. So, Taylor decides to ask Mr. Benson, the school principal, for a place to park the bikes at school. In this situation, what would Taylor most likely say to Mr. Benson?

Taylor: _____

16번부터 17번은 두 번 들려줍니다.

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

W: Hello, students. Did you know that what we eat plays a huge role in the health of our brains? While avocados often get a bad reputation because of their high fat content, it's important to note that they have "good" kinds of fats. These fats have been shown to lower rates of cognitive decline. If you like fish, get excited, because salmon is one of the best brain foods out there! It's packed with omega-3s to help keep your brain running smoothly. And your mom got it right when she told you to eat your broccoli. Broccoli is one of the best brain-healthy foods thanks to its high levels of vitamin K, which can help keep your memory sharp. Finally, just a few walnuts a day may help improve your cognitive health and mental alertness. The vitamin E found in walnuts may help protect brain cells. Enjoy these healthy brain foods and boost your brain power!
